What are "Endowments"?

Endowments are not new, but are now becoming very popular. They are a vehicle used to build a managed investment whose earnings are used only for a specific purpose without using any of the donations made to it.

The donations continue to earn income for as long as there is a need for the specific purpose for which it was established.

Please consider Baxter House Adult Day Care if you are considering an Endowment. You decide and designate the specific purpose such as "providing supplemental support to needy people and/or clients who need our services. You may also make cash donations to our existing Endowment. We encourage contributions from wills, estates, stocks or cash to help build our endowment. Earnings are used only for funding to supplement our programs and reduce costs for those in need of our services.

Baxter House is a 501 (c) 3
Non Profit organization.
